VOLUNTARY CONTRIBUTIONS AND CHARGES FOR 2020

The following information is provided in the hope of making the school charges and contributions structure clear for parents. We wish to assure parents that our efforts have been directed towards keeping the costs as low and as equitable as possible. Year 11 and 12 courses are considered post-compulsory as students can choose to attend TAFE, obtain employment or apprenticeships, and therefore all charges are **compulsory** under the School Education Act 1999 and the School Education Regulations 2000.

Information on maximum costs for other optional activities such as excursions, camps, etc. that students may participate in has also been provided.

STUDENT TERM DATES 2020

Term 1:	Monday 3 rd February	Thursday 9 th April	10 weeks
Term 2:	Wednesday 29 th April	Friday 3 rd July	10 weeks
Term 3:	Tuesday 21 st July	Friday 25 th September	10 weeks
Term 4:	Tuesday 13 th October	Thursday 17 th December	10 weeks

CONTRIBUTIONS & CHARGES

There are three parts to the financial requests.

Voluntary Contributions Years 7-10:

The School requests a voluntary contribution of **\$235.00** for each student towards the cost of materials, textbooks, services and facilities used by students in the educational program. Payment of these contributions will significantly assist with the quality of educational programs delivered. Additional compulsory charges outside the basic core program may be requested for consumables and additional resources.

Charges:

Year 7, 8, 9 & 10 Elective Courses may attract a compulsory charge. **Year 11 & 12** are considered post-compulsory and therefore all charges are considered **compulsory** under the School Education Act 1999 and the School Education Regulations 2000. Whilst there is no maximum charge, the school will endeavour to keep costs to a minimum. **We reserve the right to place students into a lower cost option if the charges are not paid. This will be reviewed by week 5 of term 2 2020.** The school may also request a **50%** confirmation charge for year 11 and 12 students to confirm their place in their course of preference for the following year if a high cost option has been chosen.

Optional activities - any course where there is a high cost associated with their provision – e.g. excursions, camps, specific higher cost materials, competitions, outdoor education, etc.

Other optional school-based activities address broad learning outcomes and for which there is a high cost – e.g. school social events, excursions, camps, carnivals, etc. A maximum cost for these has been listed, and parents only pay if students take part. These costs will be collected throughout the year as the activities arise.

Additional Voluntary Approved Requests:

The following voluntary donations also appear on student Contributions and Charges Sheets:

P & C Contribution – The Busselton Senior High School P & C earnestly seeks your continued support for 2020 by requesting a contribution of **\$10.00** per student. Membership of the P & C Association is **\$1.00** per family and is payable at the Meeting's. **P & C** meetings are generally held on the 3rd Monday of each month during school terms, all parents are welcome to attend.

Chaplaincy— The School chaplain provides pastoral care for all students. The chaplain counsels students and is able to provide families with support on a range of issues or advise them of other sources of support available in the community. The chaplain plays an integral part of the Student Services Team by helping to support students who may be experiencing difficulties in their personal life. It is not the Chaplain's role to teach or espouse religious beliefs to students. A voluntary request of **\$5.00** per student is sought.

School Environment – **\$25.00** per student environment fund enables the school to directly improve the environment for our students, in past years the funds have been used to purchase outdoor seating in the quadrangles, bus area and shade sails. In 2019 we purchased 12 new outdoor settings.

Library - The Library contribution of \$40.00 per student assists in the purchase and provision of resources for all students to use and borrow.

Other Optional Cost:

Student Printer Credits - This cost is designed to ensure the use of printers in the school is carefully managed, and to encourage students to use print resources wisely. Purchasing toner/ink cartridges and paper for the printers used by students. A charge of **\$5.00** is applied to all account with additional printer credits available for purchase as required.

2019 OUTSTANDING ACCOUNT STATEMENTS

Current students, who have charges outstanding for 2019, will continue to be issued monthly statements. The outstanding charges are compulsory costs for subjects undertaken in 2019 or earlier and will be carried forward to your 2020 account. If charges remain unpaid they may be forwarded to a debt collection agency to collect on the schools' behalf.

Please note that any payments made are applied to outstanding balances first.

If you are experiencing financial hardship we encourage you to arrange a payment plan, please contact the school on 9751 8912 and ask to speak with Coral House in Accounts or the Manager Corporate Services.
