Standalone bushfire plan 2022-2023 Busselton Senior High School

Geographie Education Support

27 June 2022

Purpose

The *Standalone bushfire plan* document is a detailed plan of how your school is to prepare and respond to a catastrophic fire danger rating alert or to a bushfire event.

You must complete this template to have a plan in place to respond to a bushfire emergency until during and after the attendance of Emergency Services. This plan is to be read in conjunction with the Department of Education *Principal's guide to bushfire*.

All staff, students, contractors and visitors on the school or facility site are to follow this completed plan in the event of a bushfire emergency. All other emergencies are to be managed in accordance with the school's [incident management plan](#).

You are required to complete and lodge your plan online by 31 August, before the bushfire season begins.

Appendix B – Procedures in event of a sudden bushfire

Relocate to onsite 'safer building location(s)'

You may be instructed to relocate to your onsite 'safer building location(s)'. Do not use an open area such as a school oval or non-enclosed building

Initiate the below procedure if the following occurs:

- a 'Watch and Act' or 'Emergency Warning' alert is issued on the [Emergency WA](#) website or the [Department of Fire and Emergency Services Bushfire Warnings page of the Department of Fire and Emergency Services website](#) (refer to Appendix A for details about the alerts); and
- instruction from the Department of Fire and Emergency Services, Emergency Services or your Director of Education.

Follow these procedures to relocate to the onsite safer building location(s).

Action	Notes (if required)
Dial 000 for emergency services and follow advice. Remain in contact with the Department of Fire and Emergency Services and monitor official bushfire information sources shown in section 2.1.	
Activate your incident management team to carry out their responsibilities (refer to section 3).	
Use your emergency response contact list to contact stakeholders (refer to section 2).	
Follow your bushfire response telephone call tree to communicate with the school community. Ensure parents receive emergency text message alerts to: <ul style="list-style-type: none"> • inform them of relocation • keep them updated (use the emergency text message alert templates). Note: Parents must not collect students until instructed.	
Confirm: <ul style="list-style-type: none"> • evaporative air conditioners are turned off • all building roof vents, windows and doors are closed before anyone enters the onsite safer building location(s). 	
Take emergency equipment (refer to section 5): <ul style="list-style-type: none"> • registers for students, staff and visitors • evacuation kit • mobile phones (charged). Sound school emergency warning or alert system.	
Follow advice from the incident controller or emergency services, the Manager, Security and Emergency Management or the Director of Education to move to the onsite safer building location(s) (refer to section 7.1 for map)	

Note: Students and staff must remain in classrooms unless they are directed to move to an onsite safer building location.	
<p>Check student, staff and visitor registers after moving to an onsite safer building location (roll call). Advise the police if anyone is missing.</p> <p>Note: You must give special consideration to students with known respiratory conditions.</p>	
Update the emergency services on the location of students, staff and visitors.	
<p>Wait for the emergency services to arrive or the incident controller to provide you with further information.</p> <p>Ongoing advice will also be provided by the Manager, Security and Emergency Management or the Director of Education.</p> <p>Continue to monitor official bushfire information sources shown in section 2.1.</p>	
The Department will consult the incident controller or emergency services and notify you when it is safe to return to classrooms or for students to be collected by parents. You will receive advice from the Director of Education.	

Offsite evacuation procedures

You may be instructed to relocate to your offsite evacuation.

Initiate the below procedure if the following occurs:

- 'Watch and act' or 'emergency warning' bushfire warning alert on the [Emergency WA](#) website or the [Department of Fire and Emergency Services Bushfire Warning system](#) is invoked (refer to the bushfire warnings listed in Appendix A); and
- Direction from Department of Fire and Emergency Services, incident controller or Emergency services to evacuate offsite; or
- Direction from the Deputy Director General Schools or the Manager, Security and Emergency Management. The Director of Education will relay the decision to you to evacuate offsite.

Follow these procedures if you need to evacuate to an offsite evacuation location during a bushfire event.

Action	Notes (if required)
Dial 000 for emergency services and follow advice. Remain in contact with Department of Fire and Emergency Services and your Director of Education. Monitor official bushfire information sources shown in section 2.1.	
Activate your incident management team to carry out their responsibilities (refer to section 3).	
Refer to the 'emergency response contact list' to contact stakeholders (refer to section 2).	
Follow advice from the emergency services or the Manager, Security and Emergency Management or the Director of Education to decide which of the school's offsite evacuation location(s) is the safest to use (refer to section 7.2).	
Identify an assembly area where staff, students and visitors can gather to prepare for offsite evacuation. Note: Students and staff must remain in classrooms unless they are directed to move to an onsite safer building location and/or onsite assembly area.	
Follow the 'bushfire response telephone call tree' to communicate with the school community. Ensure parents receive emergency SMS alerts to: <ul style="list-style-type: none"> • inform them of relocation • keep them updated (refer to emergency text message alert templates in Appendix C). Check registers after evacuating staff, students and visitors (roll call). Advise the police if anyone is missing.	
Update the emergency services incident controller on location of students, staff and visitors.	
Wait for emergency services to arrive or the incident controller to provide further information. The Manager, Security and Emergency Management or the Director of Education will provide ongoing advice. Continue to monitor official bushfire information sources shown in section 2.1.	
The Department will consult the incident controller or emergency services and notify you when it is safe to return to classrooms or for students to be collected by parents. You will receive advice from the Director of Education.	

Appendix C - Pre-emptive (planned) closure procedures

You **MAY** be instructed to pre-emptively close your school due to a predicted catastrophic fire danger rating.

Initiate the below procedure if the following occurs:

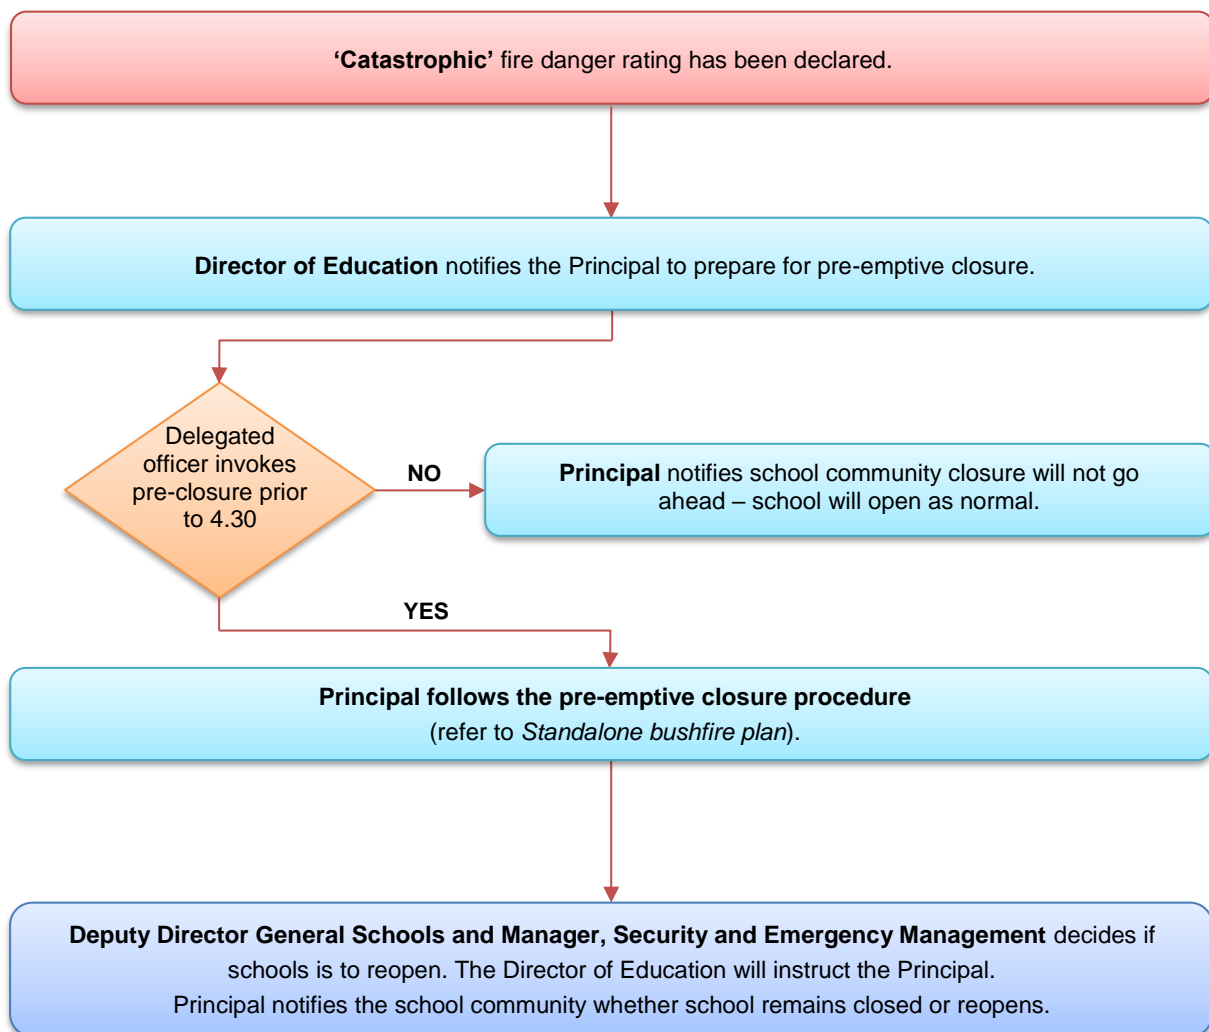

- Alert received from the Department of Fire and Emergency Services; or
- Direction from the Deputy Director General, Schools or the Manager, Security and Emergency Management. The Director of Education will relay the decision to you.

Follow these procedures for a planned school closure in response to predicted catastrophic fire conditions. Also refer to the Flow chart – Principal's response to catastrophic fire danger rating below.

Action	Notes (if required)
Monitor official bushfire information sources shown in section 2.1.	
Activate your incident management team to carry out their responsibilities (refer to section 3).	
Confirm: <ul style="list-style-type: none"> • windows and doors are closed • evaporative air conditioners are turned off • roof vents closed • money is removed from the school premises • expensive items of equipment secured. 	
Use your emergency response contact list to contact stakeholders (refer to section 2).	
If it is safe and there is no active fire in the region, two nominated staff members (usually the Principal and one other staff member) attend school from 8.00am to 9.00am on the day of pre-emptive closure. They: <ul style="list-style-type: none"> • inform community members of the school closure • secure the facility and activate the electronic security system when leaving (only if it is safe to do so) the site at 9.00am.

Flow chart – Principal’s response to ‘catastrophic’ fire danger rating

Appendix D – After hours or school holiday procedures

You may be instructed to keep your school closed during the school holidays or after hours during a bushfire event.

Initiate the below procedure if the following occurs:

- 'Watch and act' or 'emergency warning' bushfire warning alert on the [Emergency WA](#) website or the [Department of Fire and Emergency Services Bushfire Warning system](#) is invoked (refer to the bushfire warnings listed in Appendix A); and
- Direction from the Deputy Director General, Schools or the Manager, Security and Emergency Management. The Director of Education will relay the decision to you.

Follow these procedures if a bushfire starts during the school holidays or after hours.

Action	Notes (if required)
Remain in contact with your Director of Education and monitor official bushfire information sources shown in section 2.1.	
Use your emergency response contact list to contact stakeholders (refer to section 2).	
Follow the bushfire response telephone call tree to communicate with the school community. Send parents and staff emergency text message alerts to inform them of the school closure (refer to emergency text message alert templates in Appendix E).	
Work with the Director of Education to seek alternative school and transport arrangements (if required).	
Department Media Unit uses media outlets to make public announcements of: <ul style="list-style-type: none"> • the school closure • temporary alternative accommodation. 	
The Department will consult the incident controller or emergency services and notify you when it is safe for the school to reopen. You will receive advice from the Director of Education or the Manager, Security and Emergency Management.	
Send parents and staff emergency text message alerts to inform them when school can reopen (refer to emergency text message alert templates in Appendix C).	

Appendix E – Communication templates

Emergency text message alert templates

You can use these sample text templates update parents, carers and staff about a response to a bushfire. These texts are also located on Ikon – refer to [Manage bushfire and emergency incident communications](#).

School newsletter sample text

You can use this sample text below can be used to provide the school community with information about a pre-emptive closure.

Pre-emptive (planned) school closure during the bushfire season

[School name] has been place on the Department of Education bushfire zone register as it is located in a designated bushfire risk area.

If a 'Catastrophic' fire danger rating has been declared for the [City/Town/Shire] of [name of your school's local government area], a school **MAY** be required to invoke a pre-emptive (planned) closure. A 'Catastrophic' fire danger rating poses a significant threat to the school if a fire starts, it is likely to be uncontrollable, unpredictable and fast moving.

Parents will receive a text message to inform them of a possible Pre-emptive closure of the school.

The final decision to pre-emptively close the school will be confirmed with the principal no later than 4.30pm on the day before the pre-emptive closure. If the forecast changes after the 4.30pm deadline, the school remains closed to limit confusion within the school community.

Parents will receive a text message to either confirm or reverse a Pre-emptive closure of the school.

Typically, schools will only be required to close for a day at a time. However, this will depend on changing weather conditions. Parents will receive a text message to advise if the school will reopen the day after the pre-emptive closure, or whether it will remain closed.

Parents are encouraged to monitor official bushfire information sources for current information about fire danger ratings:

- 1) [Emergency WA website](https://www.emergency.wa.gov.au/) - <https://www.emergency.wa.gov.au/>
