BUSSELTON SENIOR HIGH SCHOOL

VOLUNTARY CONTRIBUTIONS AND CHARGES FOR 2023

The following information is provided in the hope of making the school charges and contributions structure clear for parents. We wish to assure parents that our efforts have been directed towards keeping the costs as low and as equitable as possible. Year 11 and 12 courses are considered post-compulsory as students can choose to attend TAFE, obtain employment or apprenticeships, and therefore all charges are **compulsory** under the School Education Act 1999 and the School Education Regulations 2000.

Information on maximum costs for other optional activities such as excursions, camps, etc. that students may participate in has also been provided.

CONTRIBUTIONS & CHARGES

There are three parts to the financial requests.

Voluntary Contributions Years 7-10:

The School requests a voluntary contribution of **\$235.00** for each student towards the cost of materials, textbooks, workbooks, photocopy materials, materials for art and crafts, design and technology, science activities, cooking ingredients etc.. Payment of contributions will significantly assist with the quality of educational programs delivered. Additional compulsory charges outside the basic core program may be requested for consumables and additional resources.

Charges:

Year 7, 8, 9 & 10 Elective Courses may attract a compulsory charge. **Year 11 & 12** are considered post-compulsory and therefore all charges are considered **compulsory** under the School Education Act 1999 and the School Education Regulations 2000. Whilst there is no maximum charge, the school will endeavour to keep costs to a minimum. **We reserve the right to place students into a lower cost option if the charges are not paid. This will be reviewed by week 5 of term 2 2023.** The school may also request a **50%** confirmation charge for year 11 and 12 students to confirm their place in their course of preference for the following year if a high cost option has been chosen.

Optional activities - any course where there is a high cost associated with their provision – e.g. excursions, camps, specific higher cost materials, competitions, outdoor education, etc.

Other optional school-based activities address broad learning outcomes and for which there is a high cost – e.g. school social events, excursions, camps, carnivals, etc. A maximum cost for these has been listed, and parents only pay if students take part. These costs will be collected throughout the year as the activities arise.

Additional Voluntary Approved Requests:

The following voluntary donations also appear on student Contributions and Charges Sheets:

P & C Contribution – The Busselton Senior High School P & C earnestly seeks your continued support for 2023 by requesting a contribution of \$10.00 per student. Membership of the P & C Association is \$1.00 per family and is payable at the Meeting's. **P & C** meetings are generally held on the 3rd Monday of each month during school terms, all parents are welcome to attend.

Information Technology - The School provides laptops and desktop computers in designated classrooms throughout the school to ensure all students have access to current technologies. A voluntary request of \$30.00 per student is sought.

School Environment – \$25.00 per student environment fund enables the school to directly improve the environment for our students, in past years the funds have been used to purchase shade sails, outdoor seating in the quadrangles and bus area.

Library - The Library contribution of \$15.00 per student assists in the purchase and provision of resources for all students to use and borrow.

Other Optional Cost:

Student Printer Credits - This cost is designed to ensure the use of printers in the school is carefully managed, and to encourage students to use print resources wisely. Purchasing toner/ink cartridges and paper for the printers used by students. A charge of \$5.00 is applied to all account with additional printer credits available for purchase as required.

Replacement Student ID / Smartrider Card - \$5.00

2022 OUTSTANDING ACCOUNT STATEMENTS

Current students, who have charges outstanding for 2022, will continue to be issued monthly statements. The outstanding charges are compulsory costs for subjects undertaken in 2022 or earlier and will be carried forward to your 2023 account. If charges remain unpaid they may be forwarded to a debt collection agency to collect on the schools' behalf.

Please note that any payments made are applied to outstanding balances first.

If you would like to arrange a payment plan, please contact the school on 9751 8912 and ask to speak with Coral House in Accounts or the Manager Corporate Services.

PERSONAL ITEMS LIST

Stationery items **will not** be available for purchase at the school. These items can be purchased as per the booklists at Callow's Newsagency or any store of your choice.

Voluntary contributions enable the school to purchase class sets which students may borrow. If students lose textbooks or library books they will be required to pay for the purchase of a replacement book.

Booklists & stationary item lists can also be downloaded from our website www.busseltonshs.wa.edu.au or collected from School.
