Voluntary Contributions & Compulsory Charges for 2026

The following information is provided to make the school charges and contributions structure clear for parents. We wish to assure parents that our efforts have been directed towards keeping the costs as low and as equitable as possible.

The State Government through the Department of Education, provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the salary of all teaching and non-teaching positions plus costs such as repairs, maintenance and utilities. The Government does not provide for many goods and services which students use and it is reasonable for parents to meet these costs.

Information on maximum costs for other optional activities such as excursions and camps that students may participate in has also been provided.

There are three parts to the financial requests:

VOLUNTARY CONTRIBUTIONS YEARS 7-10

The School requests a voluntary contribution of \$235.00 for each student towards the cost of materials, textbooks, workbooks, photocopy materials, materials for art and crafts, design and technology, science activities, cooking ingredients etc.

Payment of contributions will significantly assist with the quality of educational programs delivered. Additional compulsory charges outside the basic core program may be requested for consumables and additional resources.

CHARGES

Year 7, 8, 9 & 10 Elective Courses may attract a compulsory charge. **Year 11 & 12** are considered post-compulsory therefore all charges are considered *compulsory* under the School Education Act 1999 and the School Education Regulations 2000. Whilst there is no maximum charge, the school endeavours to keep costs to a minimum. **We reserve the right to place students into a lower cost option if the charges are not paid. This will be reviewed by Week 5 of Term 2 2026.** The school may also request a 50% confirmation charge for Year 11 and 12 students to confirm their place in their pathway of preference for the following year if a high cost option has been chosen.

Optional activities - any course where there is a high cost associated with their provision – e.g. excursions, camps, specific higher cost materials, competitions, outdoor education, etc.

Other optional school-based activities

address broad learning outcomes and for which there is a high cost – e.g. school social events, excursions, camps, carnivals, etc. A maximum cost for these has been listed, and parents only pay if students take part. These costs will be collected throughout the year as the activities arise.

Voluntary Contributions & Compulsory Charges

ADDITIONAL VOLUNTARY APPROVED REQUESTS

The following voluntary requests also appear on student Contributions and Charges Sheets:

P & C Contribution – The Busselton Senior High School P & C earnestly seeks your continued support for 2026 by requesting a contribution of \$10.00 per student. Membership of the P & C Association is \$1.00 for voting rights, and is payable at the Meeting's. P & C meetings are generally held on the 3rd Monday of each month during school terms, all parents are welcome to attend.

Information Technology - The School provides laptops and desktop computers in designated classrooms throughout the school to ensure all students have access to current technologies. A voluntary request of \$30.00 per student is sought.

School Environment – \$25.00 per student environment fund enables the school to directly improve the environment for our students. In past years the funds have been used to purchase shade sails, outdoor seating in the quadrangles and bus area.

Library - The Library contribution of \$15.00 per student assists in the purchase and provision of resources for all students to use and borrow.

OTHER OPTIONAL COSTS

Student Printer Credits - This cost is designed to ensure the use of printers in the school is carefully managed, and to encourage students to use print resources wisely. Purchasing toner/ink cartridges and paper for the printers used by students. An amount of \$5.00 is applied to all account with additional printer credits available for purchase as required.

Replacement Student ID / Smartrider Card - \$5.00

Voluntary Contributions & Compulsory Charges

If charges remain unpaid, they may be forwarded to a debt collection agency to collect on the schools' behalf.

Please note that any payments made are applied to outstanding balances first. If you would like to arrange a payment plan, please contact the school on 9751 8912.

To be eligible for the allowance the parent/guardian must hold a Centrelink Health Care Card, a Pensioner Concession Card or a Veterans' Affairs Pensioner Concession Card.

The allowance consists of two components:

\$115.00

Clothing Allowance paid directly to the school for uniforms/charges or parent/guardian.

\$235.00

Educational Program Allowance is paid directly to the school to assist with secondary Charges & Contributions in years 7 to 10 and assist with Course Charges in Year 11 and 12.

Application forms are to be completed at the school in Term 1 each year for students enrolled in Years 7 - 12. Applications close at the end of Term 1, 2026.

INFORMATION FOR SENIOR SCHOOL STUDENTS

Students are eligible for Secondary Assistance up to and including the year the student turns 18 years of age. i.e. not eligible if born in 2000.

The parent/guardian concession card number must be noted on the application. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. living away from home). In this instance, a letter of confirmation from Centrelink needs to accompany the application.

ELIGIBILITY CRITERIA

Parent or guardian must hold one of the following valid cards:

- Centrelink Family Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

PLEASE NOTE: The only Veterans' Affairs Card that meets the criteria is a blue card that is issued each year and expires in December of each year. This card is income means tested.

For further information, please contact the School Accounts Officer on 9751 8912 or email busselton.shs@education.wa.edu.au

The Secondary Assistance Scheme form will be uploaded onto the school's website at the end of the year, and also can be collected and completed at the school in Term 1 2026.

IF YOU HOLD A CONCESSION/HEALTH CARE CARD YOU MUST COMPLETE AND RETURN THE FORM TO THE SCHOOL PRIOR TO 2nd April 2026.
